III. Tuition & Scholarships	
Tuition per year	<ul style="list-style-type: none"> - Undergraduate: 35,000 USD (Nursing program: 15,000 USD) - Postgraduate: 40,000 USD
Scholarships & Financial Aid	<ul style="list-style-type: none"> - Generous financial support from VinGroup (% calculated on listed tuition fees) - Educational sponsorship: 35% tuition reduction for 100% of admitted students - Talent scholarships: From 50% - 100% - Full (currently about 60% of students) - Financial aid: From 40% - 100% tuition (currently about 40% of students) - Additionally, students still have the opportunity to receive more scholarships and financial aid during their studies
IV. Students	
Total number of students by 2024	1,358 students (98 Postgraduate, 1260 Undergraduate)
Diversity	<ul style="list-style-type: none"> - 5.2% international students from 26 countries including: American Samoa, Bangladesh, United Kingdom, Myanmar, Colombia, Czech Republic, Philippines, Germany, Ghana, India, Italy, Japan, Kazakhstan, Kenya, South Korea, Libya, New Zealand, Nigeria, Pakistan, Russia, Singapore, Slovakia, Tanzania, Ukraine, Spain, Taiwan - 1:1 male to female student ratio
Admission Quality	<ul style="list-style-type: none"> - Comprehensive admission based on AACC criteria (Outstanding Ability; Aspiration; Creativity; Commitment) - 20% of students have won prestigious national/international awards - Average SAT score of 1,456, in the top 5% worldwide - Average high school GPA of 9.2 - Average IELTS score of 7.5

Student Achievements	<ul style="list-style-type: none"> - 25% continue to pursue master's and doctoral degrees at prestigious Ivy League schools such as Harvard University, Cornell University, University of Pennsylvania, as well as top universities worldwide such as National University of Singapore (NUS), Nanyang Technological University (NTU), University of Illinois Urbana-Champaign (UIUC), Duke University, University of Technology Sydney (UTS), University of Queensland (UQ), Erasmus University, Swiss Federal Institute of Technology Lausanne (EPFL), Singapore Management University (SMU) - 95% of the first cohort secured employment within 3 months after graduation, with many receiving job offers from global companies such as McKinsey, Boston Consulting Group, National Australia Bank, Woori Bank, Bosch, Akzo Nobel, AlphaSights, as well as leading Vietnamese technology companies and financial institutions. VinUni students are highly regarded by employers for their logical thinking, confident attitude, work experience, and especially their abundant energy and great aspirations - 5% of students are passionate about entrepreneurship. Many student startup projects have successfully raised funds - Many students have co-authored papers with VinUni professors published in prestigious scientific journals or won major awards in national and international competitions - Notable example: VinUni student (Tran Tuan Minh) became the youngest Vietnamese in history to be listed in Forbes 30 Under 30 Asia in 2024.
V. Giảng viên	
Total staff	<ul style="list-style-type: none"> - 135 faculty members (88 full-time and 47 part-time) - 130 staff members
Qualifications	<ul style="list-style-type: none"> - Over 77% of faculty hold a PhD - 07 faculty members were honored in the 2024 list of the world's most influential researchers published by Stanford University
Diversity	<ul style="list-style-type: none"> - 37.5% international faculty from 11 countries including: USA, UK, Netherlands, Singapore, France, South Korea, Canada, Australia
VI. Training Quality and Strategy	
Educational Programs	<ul style="list-style-type: none"> - 100% of undergraduate students participate in the VinCore program, an interdisciplinary and transformative educational experience that combines personal character development, career skills preparation, and civic knowledge to foster a new generation of empathetic, visionary, and globally minded leaders - 100% of training programs are validated by two strategic partners: Cornell University and the University of Pennsylvania; 85% of students are satisfied with the teaching quality <ol style="list-style-type: none"> 1. Bachelor of Economics 2. Bachelor of Psychology 3. Bachelor of Multimedia Communication 4. Bachelor of Business Administration (key areas: Marketing, Finance, Entrepreneurship, Business Analytics, Operations and Supply Chain Management, and Hospitality Management) 5. Bachelor of Electrical Engineering 6. Bachelor of Mechanical Engineering 7. Bachelor of Computer Science 8. Bachelor of Data Science 9. Medical Doctor 10. Bachelor of Nursing 11. Internal Medicine Residency 12. Surgery Residency 13. Pediatrics Residency 14. Orthopedic Surgery Residency

	<p>15. Diagnostic Imaging Residency 16. PhD in Computer Science</p> <p>08 new programs to be launched</p> <ol style="list-style-type: none"> 1. Master of Business Administration 2. Master of Management Information Technology 3. PhD in Electrical Engineering 4. PhD in Mechanical Engineering 5. Anesthesiology Residency 6. Obstetrics/Neurology Residency 7. Master of Nursing 8. PhD in Surgery 9. PhD in Internal Medicine
Training Methods	<ul style="list-style-type: none"> - Active Learning - Third Prize in the "Immersive Experiential Learning" category of the QS Reimagine Education Award 2023 - "Excellent Digital Content Product in Education" award from the Digital Content Innovation Awards 2023 and 2024
Extracurricular Personal Development Experience	<ul style="list-style-type: none"> - 100% participate in the OASIS program: Orientation, Advising, Skills, Identity and Spirit of Pay It Forward, study the IKIGAI course on the meaning of life, ensure 48 hours of community service, and design an Individual Development Plan (IDP) with the help of a Mentor - 30 academic and non-academic extracurricular clubs
Entrepreneurship Experience	<ul style="list-style-type: none"> - 100% of students learn about Agile Innovation, participate in Hackathon competitions, and receive support for startup ideas at E-Lab - Incubation program for 30 student startup projects from both domestic and international partners from South Korea, Singapore, and Silicon Valley – USA - Funding policy: USD 2K for idea development, USD 10K for startup trials
Internship Experience	<ul style="list-style-type: none"> - 100% of students have internship experiences at prestigious companies such as Ernst & Young, Vinpearl, Techcombank, etc.
Global Exchange Experience	<ul style="list-style-type: none"> - 100% of students have the opportunity for international study-exchange experiences for 1-2 semesters at leading universities and organizations worldwide such as Cornell University (USA), University of Pennsylvania (USA), University of Technology Sydney (Australia), Hong Kong University of Science and Technology, Nanyang Technological University (Singapore), University of Toronto (Canada)
Research Experience	<ul style="list-style-type: none"> - UROP policy for undergraduate students
Ghi nhận thành tích sinh viên	<ul style="list-style-type: none"> - Students are recognized for academic achievements (Dean's List, President's List) - Students are recognized for qualities and actions that create change (Change Makers Awards)
<ul style="list-style-type: none"> • Research 	

Research focus	<p>VinUni's research strategy focuses on breakthrough innovations that create a better life for everyone. Research activities integrate data science and artificial intelligence to optimize resources, focusing on impacts and sustainable development:</p> <ul style="list-style-type: none"> • Green transformation and sustainable economic development • Technology and public health <p>Dual transformation and prosperous urban areas</p>
Faculty research	<ul style="list-style-type: none"> - Over 700 scientific papers have been published by SCOPUS since its establishment - VinUni has also received awards and cross-national research projects such as: - Assigned by the Ministry of Science and Technology to lead industry innovation research and develop industry innovation indices - Commissioned by Khanh Hoa Province to implement a strategic green transformation plan and build a green tourism brand - ISCN Award for developing and providing accessible smart healthcare solutions on a global scale - Grand Prize of 1 million GBP at the Trinity Global Health Innovation Competition with the Farm2Vet project on food safety management solutions based on technology - Project on Tourism and Ethnic Minority Culture in Vietnam received £214,760 funding from the British Academy's International Interdisciplinary Research Projects ODA program - Attracted 1.5 million USD (over 5 years) from Peabody Health Philanthropies to improve the quality of the healthcare system in Vietnam - Google Southeast Asia Research Award - 07 VinUniversity faculty members were honored in the 2024 list of the world's most influential researchers published by Stanford University
<ul style="list-style-type: none"> • Sustainability and Community Responsibility 	
Sustainable Development and Social Responsibility Activities	<ul style="list-style-type: none"> - 7/10/2024: VinUni was appointed by UNESCO as the first UNESCO Chair in Vietnam, term 2024-2028, marking an important milestone in developing research and training capacity for environmental leadership, cultural heritage, and biodiversity in Vietnam - 84% construction density for landscaping and greenery, along with the installation of a rooftop solar power system with a total area of 1,000 m², providing an average of 600kWh per day, achieving a total energy production of over 163.8 thousand kW. Additionally, the university has invested in a direct drinking water system throughout the campus, a bottle filling system, and a display system showing the number of plastic bottles reduced. According to statistics, by the end of 2023, the system has helped reduce over 500,000 plastic bottles on the VinUni campus.
<ul style="list-style-type: none"> • Engagement Development 	
Academic engagement	<ul style="list-style-type: none"> - VinUni has established academic cooperation with 53 universities and research institutes, including 24 universities in the top 100/Target University List of VGR Program Scholarship 1.100/top 50 under 50 - In the 2023-2024 academic year, attracted 500 international students for short-term study and exchange at VinUni, and sent 115 students abroad for study and internships.
Corporate engagement	<ul style="list-style-type: none"> - VinUni has established important partnerships with 60 leading regional and global companies, with 40 school-level Memorandums of Understanding (MoUs) and 20 Institute-level MoUs.

• Facilities	
General information	<ul style="list-style-type: none"> - 13 functional buildings constructed to QS 5-star standards - \$406.34 investment in library facilities per student. The library has 2 floors with a floor area of 4,000 m², accommodating 1,000 students at the same time. The library stores 6,300 scientific research papers and 7,500 hard and soft copies of academic materials on the Canvas learning management system. Ensuring 95% of students access the online library from anywhere - Simulation center covering 4,000 m², with 6 intensive care rooms, 2 operating rooms, 10 OSCE rooms, 4 practice rooms, and many other specialized rooms - Super Lab computer practice room covering 452 m², designed to enhance interaction and interdisciplinarity among students from different Institutes. The room is equipped with 112 computers, allowing 6 classes to take place simultaneously - The library updates 6,300 scientific research papers and nearly 7,500 academic materials in hard/soft copies on the Canvas learning management system. 95% of students access the online library from anywhere
